

VETERAN PRESS CORPS ASSIGNMENT

If you completed the Initial Press Corps Assignment for Youth Legislature or MUN in 2007 or a prior year, please complete the following ALTERNATE assignment:

Submit three articles, ready for publication (proofread), that could appear in the first issue of the conference paper. Here are a few ideas to get you started:

- Article about how your school prepared for the conference
- News story (REAL) about one of the issues being considered by the real state legislature
- Article about what your school did for a local service project
- Feature story on your school's advisor
- A national issue affecting the state
- A story on a state representative
- A current local issue
- Any other suitable, appropriate ideas you come up with on your own—you're vets at this, it shouldn't be hard to brainstorm good article topics!

These articles will be used by the Press Editor to publish the first conference paper, which will be ready to distribute as schools register on Thursday!

Submit your article to your teacher/advisor by the deadline he/she has set for all bills to be due. Your article should accompany your school's packet with all other items due to the State YIG office.
