

Blue HOUSE

Please register **freshmen** and **1st year delegates** in this component. Other delegates are welcome as well. The registration fee is non-refundable. However, substitutes are welcome. If there are any substitutes, please let the state office know **prior to the conference**, else it is unlikely the substitute will have a nametag and/or a committee assignment when he/she arrives. Ideally, Blue House delegates will be assigned in teams of 2, unless you have an odd number, in which case, a third member may be added to one of your teams.
